## **Report of Independent Auditors**

To the Partners of Behringer Harvard  
Short-Term Opportunity Fund I LP

We have audited the accompanying Statement of Revenues and Certain Expenses of Skillman (the “Skillman Property”) for the year ended December 31, 2003. This Statement of Revenues and Certain Expenses is the responsibility of the Company’s management. Our responsibility is to express an opinion on the Statement of Revenues and Certain Expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement of Revenues and Certain Expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement of Revenues and Certain Expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement of Revenues and Certain Expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement of Revenues and Certain Expenses was prepared for purposes of complying with the rules and regulations of the Securities and Exchange Commission as described in Note 1 and is not intended to be a complete presentation of the Property’s revenues and expenses.

In our opinion, the Statement of Revenues and Certain Expenses referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 1 of the Skillman Property for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

**Notes to the Statement of Revenues and Certain Expenses**

**1. Basis of Presentation and Summary of Significant Accounting Policies**

**Basis of Presentation**

On July 23, 2004, Behringer Harvard Short-Term Opportunity Fund I LP (the “Registrant”), acquired an 85.71% interest in Behringer Harvard Plaza Skillman LP (the “Partnership”), with the remaining interest being held by unrelated third parties. On July 23, 2004, the Partnership acquired a neighborhood shopping/service center containing approximately 98,764 rentable square feet (unaudited), located on approximately 7.3 acres of land (unaudited), in Dallas, Texas (the “Skillman Property”). The Skillman Property is leased to a variety of retail and service oriented tenants, with retail concerns concentrated on the first floor. The purchase price of the Skillman Property was approximately \$14.4 million.

The accompanying statement has been prepared on the accrual basis of accounting. The statement has been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in a current report on Form 8-K of the Registrant. The statement is not intended to be a complete presentation of the revenues and expenses of the Skillman Property for the year ended December 31, 2003 as certain expenses, primarily depreciation and amortization expense, interest expense, and other costs not directly related to the future operations of the Skillman Property have been excluded.

**Revenue Recognition**

Tenant leases are accounted for as operating leases. Rental revenue is recognized on a straight-line basis over the terms of the respective leases. Reimbursement income consists of recoveries of certain operating expenses and is recognized as revenue in the period the applicable costs are incurred.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions of the reported amounts of revenues and certain expenses during the reporting period. Actual results may differ from those estimates.

**2. Leases**

The minimum future cash rentals of tenant leases based on noncancelable operating leases held as of December 31, 2003 are as follows:

2004	\$ 1,322,654
2005	1,146,352
2006	1,042,486
2007	937,261
2008	279,950
Thereafter	<u>550,823</u>
Total	<u>\$ 5,279,526</u>

### **3. Major Tenants**

The following presents rental revenue from tenants who individually represent more than 10% of the Skillman Property's total rental revenue for the year ended December 31, 2003:

Compass Bank	\$ 347,851
--------------	------------

### **4. Statement of Revenues and Certain Expenses for the Six Month Period Ended June 30, 2004**

The statement for the six month period ended June 30, 2004 is unaudited. In the opinion of management, all significant adjustments necessary for a fair presentation of the statement for the interim period have been included. The results of operations for the interim period is not necessarily indicative of the results to be expected for a full year for the operation of the Skillman Property.

**Behringer Harvard Short-Term Opportunity Fund I LP**  
**Unaudited Pro Forma Consolidated Financial Information**

On July 23, 2004, the Partnership acquired an 85.71% interest (a 0.1% general partnership interest and an 85.61% limited partnership interest) in Behringer Harvard Plaza Skillman LP (the “Skillman Partnership”), with the remaining interest being held by unrelated third parties.

On July 23, 2004, the Skillman Partnership acquired a neighborhood shopping/service center containing approximately 98,764 rentable square feet, located on approximately 7.3 acres of land in Dallas, Texas (the “Skillman Property”) at a cost of approximately \$14.4 million. The Skillman Partnership paid approximately \$3.9 million in cash, assumed approximately \$400,000 in liabilities and assumed an existing mortgage loan with a principal balance of approximately \$10.1 million (the “Loan”). The Loan has an interest rate of 7.34% per annum and matures on April 11, 2011.

The Partnership contributed approximately \$3.3 million in cash to the Skillman Partnership in exchange for its ownership interest. In addition, the Partnership paid approximately \$409,000 in acquisition and advisory fees to Behringer Advisors II LP for services rendered in connection with the acquisition of the Partnership’s interest in the Skillman Property.

The Partnership does not control the Skillman Partnership as all major decisions relating to the Skillman Property require a unanimous consent of all the partners. Accordingly, the Partnership has accounted for its interest in the Skillman Partnership on the equity method of accounting.

In the opinion of management of the Partnership, all material adjustments necessary to reflect the effects of the above transaction have been made.
